Notes about our mortgage products

- These products are available on repayment or interest-only terms.
- At the end of any initial deal, the interest rate will revert to the BTL standard variable rate.
- The BTL variable rate can vary in line with the general level of interest rates and economic conditions.
- If your client makes any lump sum payments or repays the loan within a special deal period, an early repayment charge may be payable. Please refer to the early repayment charge section of the table for details. Payments up to a maximum of £499 per month can be made without incurring an early repayment charge.
- A list of our fees and charges accompanies all Offer Letters.
- Maximum loan is £1m.
- Minimum loan is £15,000.
- The term of any additional borrowing must not exceed the term of the existing mortgage.
- Interest is added to the mortgage account for the period from the date the loan is made until the last day of that month. Thereafter, interest is charged monthly on the balance outstanding at the end of the last month. Payments in excess of the required monthly payment will have the effect of reducing the balance outstanding and the amount of interest to be paid.
- These mortgage products are not portable.
- All mortgage products are subject to availability and can be withdrawn at any time.
- Buy to Let loans are not regulated mortgages.

For interest-only or part repayment/part interest-only, it is the borrower's responsibility to ensure they have sufficient funds available at the end of the term with which to repay the loan. Written quotations available on request. For customer service and training purposes, calls with Kent Reliance may be monitored and/or recorded.
