

Tariff of mortgage charges

Effective from 1 January 2022

Kent Reliance is closely involved in the mortgage industry's initiative with UK Finance and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff. This means we won't charge you these fees.

Please note that where an amount of a fee or charge is shown in our tariff, that's the current amount at the date the tariff was published. Please also note that where fees or charges are shown as variable, they can be found on our website kentreliance.co.uk or as otherwise indicated below.

Before your first monthly payment		
These are fees and charges you may have to pay before we transfer your mortgage funds.		
Name of charge	What this charge is for	How much is the charge?
Application fee	Assessing and processing your application (even if your application is unsuccessful or you withdraw it).	£145
Funds transfer fee	Electronically transferring the mortgage funds to you or your solicitor.	£25
Legal fee	In most cases a conveyancer will act on your behalf and undertake the work necessary to ensure that your interests are protected. The same conveyancer (if they're on our panel) will also undertake some work in connection with the Bank's legal position, including the registration of our charge. Conveyancers will tell you in advance what their fees will be. In keeping with industry practice, the fee for undertaking work on our behalf is payable by you but should be included in the conveyancers quote. If we use separate conveyancers (who will be on our panel), their costs for acting on our behalf will be notified to you. In buy to let limited company or partnership cases, we operate a closed panel of solicitors, which is on our website. There's a fee scale for our panel of solicitors and is referenced on our website. The panel solicitor can be appointed on a dual or sole representation basis. Please note that in both cases the fees are payable by you in accordance with our fee scale. The panel solicitor will provide you with a breakdown of the fees and disbursements.	Variable (see website)
Product fee	This is charged on some mortgages as part of the application. It can be paid upfront or added to the total mortgage amount. If you add it to your mortgage, you'll pay interest on it at the same rate as the rest of your borrowing. It might be a flat fee, or a percentage of the loan amount.	Variable (refer to your broker)
Product switch fee	This is charged when you request a product switch after your formal offer has been issued; you'll be required to pay the additional product fee (as shown) before a revised mortgage offer can be issued.	£30
Reinspection fee	A reinspection fee is required on property that's currently being developed, or converted, and or refurbished and the works had not reached practical completion at the date of the original valuation inspection.	£72
Valuation fee	The lender's valuation report is one of the tools used to calculate how much we will lend you. This is separate from any valuation or survey of the property you might want to commission. Some mortgages offer free valuations - the product details for your mortgage will tell you if this is the case.	Variable (TBC on application)
