Notes about our mortgage products

- These products are available on repayment or interest-only terms.
- At the end of any initial deal, the interest rate will revert to the buy to let variable rate.
- The buy to let variable rate can vary in line with the general level of interest rates and economic conditions.
- If your client makes any lump-sum payments or repays the loan within a special deal period, an early repayment charge may be payable.
- Please refer to the early repayment charge section of the table for details. Overpayments up to a maximum of £499.99 per month can be made without incurring an early repayment charge.
- A list of our fees and charges accompanies all mortgage illustrations.
- There is no maximum loan amount.
- Minimum loan is £15,000.
- The term of any additional borrowing must not exceed the term of the existing mortgage.
- Monthly interest - If your main mortgage account was taken on a monthly interest basis, then your Further Advance account will also incur interest monthly. Interest is added to the mortgage account for the period from the date the loan was made until the last day of that month. Thereafter, interest is charged monthly on the balance outstanding at the end of the last month. Your Mortgage Offer will have clarified any specific conditions in relation to how interest is charged. Payments in excess of the required monthly payment will have the effect of reducing the balance outstanding and the amount of interest to be paid.
- Daily interest - If your main mortgage account was taken on a daily interest basis, then your Further Advance account will also incur interest daily. Interest is calculated daily on the sum outstanding at the end of the preceding day. Your Mortgage Offer will have clarified any specific conditions in relation to how interest is charged. Payments in excess of the required monthly payment will have the effect of reducing the balance outstanding and the amount of interest to be paid.
- These mortgage products aren't portable.
- All mortgage products are subject to availability and can be withdrawn at any time.
- Buy to let loans aren't regulated mortgages.

For interest-only or part repayment/part interest-only, it's the borrower's responsibility to ensure they have sufficient funds available at the end of the term with which to repay the loan.

All loans are subject to availability, status, valuation and approval, and are available in England and Wales only. Applicants must be aged 18 or over and security will be required on the property.

Important things to note

Physical valuations

A physical valuation will be sourced from Connells via the standard process.

Connells has issued prescriptive guidance to follow around inspection protocols, which you can find here kentreliaanceforintermediaries.co.uk/media/1676/property-inspection-protocol.pdf

If this guidance isn't adhered to (e.g., the property is occupied or doors have been left closed), the surveyor may not go ahead with the valuation but will still charge the valuation fee for the on-site visit.
