

## Residential Investment Valuation

Choose your valuer. Below is a list of valuer firms on our specialist panel for residential investment valuations. Please check if the valuer you'd like to use covers your property's postcode and add a note to your case stating the valuer you have chosen at the point of submission. Please note that we may not be able to confirm your preferred choice of valuer firm. If your chosen valuer firm is unable to service the instruction due to availability, conflict of interest or other circumstances, an alternative valuer may be chosen for you.
